U++ - Bug #1920
TheIDE UHD problems on Windows (Small toolbar icons, Synchronize translation files, Splash screen too small)

12/03/2018 04:31 PM - Zbigniew Rebacz

Status:	Approved		**Start date:**	12/03/2018

Target version:	Release 2019.1 - NTH		**Spent time:**	0.00 hour

Description

I think TheIDE toolbar is super small in compare to other applications in UHD mode (4K - 15 inch display). It should be bigger, the spacing between toolbar elements should be bigger as well.

Moreover, synchronization translation files render some fonts in SD mode instead of using UHD mode (Look at attached screenshot).

Splash screen should be a little bit bigger, but this is minor issue.
