#### Description

SetColor functionality is nice tool available in color selector pop up. It should be also available in IconDes to specific color with value. For example if I have HTML color code I can paste "#B68800" and the color should be selected automatically.

#### History

##### #1 - 06/26/2019 06:58 PM - Miroslav Fidler

- Status changed from New to Ready for QA
- Assignee set to Zbigniew Rebacz

##### #2 - 06/30/2019 01:48 PM - Zbigniew Rebacz

- Status changed from Ready for QA to Approved

Thanks! Works as expected.
