Target version:		Spent time:	0.00 hour
Description			
(Sorry for czech copy&paste..) BTW: od upgrade fora mi nefunguji ty sipecky na prvni neprectenou zpravu v threadu. Vypada ze zmizi ta anchor cast URL (#...), protoze odkaz smeruje na spravnou stranku threadu (tj. tu kde je neprecteny prispevek), ne na prvni. Ale samotny prispevek uz musim najit scrollovanim ja sam.
