I guess I could do that, if you don't mind. I became quite intimate with that file format lately :)

#2 - 01/15/2012 08:49 PM - Lionel Orry

Yep, I guess Jan is totally aware of the format :)

Aside note, just to remember: we should clearly state in this document the behaviour of flags propagation with dotted/non-dotted flags, because I remember having a long discussion with Jan about the topic and it seems important to me.
