

U++ - Bug #2192

gtk: Investigate Refresh issue with Pen

06/02/2021 10:45 AM - Miroslav Fidler

Status:	Approved	Start date:	06/02/2021
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Longer time spent in reference/Pen example in Paint can result in slide-show performance due to invoking Paint too often.
