

## U++ - Feature #29

### Assist for include files

02/08/2011 08:34 PM - Razvan Oprea

<b>Status:</b>	Approved	<b>Start date:</b>	02/08/2011
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Razvan Oprea	<b>% Done:</b>	90%
<b>Category:</b>		<b>Estimated time:</b>	12.00 hours
<b>Target version:</b>		<b>Spent time:</b>	0.00 hour
<b>Description</b>			
<p>When the user will press "" or '&lt;' the assist will open and display a list of files/folders available. This feature can be seen in Visual Studio 2010.</p> <p>The files chosen to be searched are .h .hpp .hh , but i propose this to be customizable.</p>			

#### History

##### #1 - 02/11/2011 11:44 PM - Razvan Oprea

- % Done changed from 70 to 90

Tested in Linux and it seems to work fine.

##### #2 - 02/13/2011 01:30 PM - Razvan Oprea

- Status changed from In Progress to Ready for QA

- Assignee set to Razvan Oprea

- % Done changed from 90 to 100

- Estimated time set to 12.00

I have finished the final version of the assist include and it is ready for testing.

The only issue remaining: The .SVN directory will always be on top of file/folder list.

##### #3 - 02/14/2011 08:09 AM - Razvan Oprea

- File IDE\_MT.patch added

- File IDE\_ST.patch added

##### #4 - 02/15/2011 12:34 AM - Razvan Oprea

I have discovered some bugs. The fix will come shortly.

##### #5 - 02/26/2011 08:24 PM - Razvan Oprea

- Status changed from Ready for QA to In Progress

- % Done changed from 100 to 90

The single threaded version has many flaws and it will not work properly. I have found a way to adapt the multithreaded version to work on a single thread.

##### #6 - 04/25/2011 05:52 PM - Miroslav Fidler

- Status changed from In Progress to Ready for QA

OK, as there was no progress here, I have used my own implementation and it seems to work just fine.

**#7 - 09/29/2011 11:39 PM - Miroslav Fidler**

- Status changed from Ready for QA to Approved
