U++ - Feature #314
TheIDE: Assist++ support for RPC_METHOD and RPC_GMETHOD defines

07/25/2012 11:49 AM - Sender Ghost

Status:	Approved		**Start date:**	07/25/2012
Priority:	Normal		**Due date:**

Category:	IDE		**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

As for SKYLARK define, it is possible to create the same capability for U++ RPC methods, by replacing defines with function definitions. Also I suggest to rename rpc_method_##name(RpcData& rpc) to name(RpcData& rpc) inside defines.

- File 314_uppsrc.diff added

#4 - 07/26/2012 09:40 PM - Miroslav Fidler

- Status changed from Patch ready to Approved

It is sort of useless as you are never calling those methods directly from the code, but it is harmless as well (and highlighting is sort of nice) -> patch applied.
