Description

There is a typo in Http::SetLanguage that prevent setting the desired language:

```
--- upp-production/uppsrc/Skylark/Session.cpp (revision 5771)
+++ upp-production/uppsrc/Skylark/Session.cpp (working copy)
@@ -177,7 +177,7 @@
```

```
Http& Http::SetLanguage(int lang_)
{
-   Renderer::SetLanguage(lang);
+   Renderer::SetLanguage(lang_);
  Upp::SetLanguage(lang_);
  SessionSet("__lang__", lang);
  SessionSet("language", ToLower(LNGAsText(lang)));
```
