

U++ - Feature #519

Java missing keywords (CodeEditor)

09/15/2013 09:28 PM - Zbigniew Rebacz

Status:	Approved	Start date:	09/15/2013
Priority:	Low	Due date:	09/15/2013
Assignee:	Zbigniew Rebacz	% Done:	100%
Category:	CodeEditor	Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
It seems that Code Editor does not highlight some keywords from newer Java (5 and above).			
- Cosmetic fix			

History

#1 - 09/19/2013 07:57 PM - Miroslav Fidler

- Status changed from Ready for QA to Approved
