

U++ - Feature #691

Small ide layouts update - standardized "OK" & "Cancel" button position

02/17/2014 04:27 PM - Zbigniew Rebacz

Status:	Approved	Start date:	02/17/2014
Priority:	Normal	Due date:	
Assignee:	Zbigniew Rebacz	% Done:	100%
Category:	IDE	Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
<p>I think that it will be good to eliminate some graphical issues in IDE layout.</p> <p>P.S.</p> <p>This patch only affects position of some controls mostly "OK" & "Cancel" buttons. This two buttons should be now symetric to other controls in all layouts.</p> <p>P.S. 2</p> <p>It also eliminates StaticText issues like the whole string is not displaying.</p>

- File *ide.lay* added

- Status changed from *Approved* to *Patch ready*

I decided to revert "Code formatting" layout changes (Current design is definitely bad).

Moreover I repaired "UppOptPushDlg" layout. (All EditString ctrls should be 19px high)

#9 - 05/14/2014 12:25 AM - Zbigniew Rebacz

- Status changed from Patch ready to Approved
- Assignee changed from Miroslav Fidler to Zbigniew Rebacz

I don't remember it is up to date or not. I think I can close it.
