**Description**

It seems that bazaar packages are not available out of the box (Win32). It meens that you should manually add bazzar.

P.S.
POSIX Upp distribution contains bazaar packages by default.

**History**

**#1 - 02/18/2015 04:19 PM - Zbigniew Rebacz**

*- Priority changed from Normal to High*

**#2 - 02/28/2015 07:59 PM - Miroslav Fidler**

*- Status changed from New to Ready for QA*

*- Assignee changed from Miroslav Fidler to Zbigniew Rebacz*

**#3 - 06/14/2015 10:48 PM - Zbigniew Rebacz**

*- Status changed from Ready for QA to Approved*

I think it was done some time ago...
