

U++ - Bug #848

Link detection in RichTextView detects empty area as link

09/05/2014 03:31 PM - Zbigniew Rebacz

Status:	Approved	Start date:	09/05/2014

Target version:		Spent time:	0.00 hour
Description			
I think link detection in RichTextView has got one minor issue. It detects empty area (left margin) as regular link. More information about this areas you can find on image included to this topic.

It works perfect, but I have got ide compilation issue:

```
uppsrc/Core/Diag.h:88:26: error: stray '@' in program
```

```
#define DDUMP(x)    @  
                   ^
```

```
/home/klugier/upp/uppsrc/CtrlLib/RichTextView.cpp:161:3: note: in expansion of macro 'DDUMP'
```

```
DDUMP(rc);  
^
```

```
uppsrc/Core/Diag.h:88:26: error: stray '@' in program
```

```
#define DDUMP(x)    @  
                   ^
```

```
/home/klugier/upp/uppsrc/CtrlLib/RichTextView.cpp:162:3: note: in expansion of macro 'DDUMP'
```

```
DDUMP(p);  
^
```

```
uppsrc/Core/Diag.h:88:26: error: stray '@' in program
```

```
#define DDUMP(x)    @  
                   ^
```

```
/home/klugier/upp/uppsrc/CtrlLib/RichTextView.cpp:163:3: note: in expansion of macro 'DDUMP'
```

```
DDUMP(GetTextPoint(p));  
^
```

P.S.
Removing DDUMP in "RichTextView.cpp" do the trick.

#5 - 09/08/2014 11:20 AM - Miroslav Fidler
- Status changed from In Progress to Approved
