I can reproduce this bug on Windows 8.1, but on Linux (Kubuntu - KDE desktop) it dosen't appear.

#2 - 01/08/2015 10:23 PM - Zbigniew Rebacz

- *Category set to Win32*

It is Win32 port problem (It can be easily tested with example/GeoFun).

#3 - 01/08/2015 11:00 PM - Zbigniew Rebacz

After investigations GeoFun seems OK.
