

U++ - Bug #994

Current Ambiance menu fix is not a solution (Ubuntu - Unity)

02/24/2015 02:52 PM - Zbigniew Rebacz

Status:	Approved	Start date:	02/24/2015
Priority:	High	Due date:

Target version:		Spent time:	0.00 hour
Description			
<p>The problem is with IDE itself. Not in the emulation part. Current fix broken regular apps menu.</p> <p>So the problem is with IDE transparent menu (It doing something like that):</p> <pre>menubar.Transparent(); // <- If we comment that line menu bar will work normal on Ubuntu.</pre> <p>I will write about it later.</p>

It doesn't look good at all, but problem it solves the problem.

IMO, to make it good it will need more complex changes in IDE for example move line/column count to status bar and enable it by default. The interface will be more platform/theme independent. One change is important there that menu bar should has window width.

P.S.

You can delete *Ambiance.iml*, too in *CtrlLib*.

#2 - 02/25/2015 12:35 AM - Zbigniew Rebacz

Ambiance will probably never composed with tool bar in the row.

#3 - 02/25/2015 12:39 AM - Zbigniew Rebacz

P.S.

Menu bar in other apps works normally (without artefacts).

- Status changed from *New* to *Ready for QA*
- Assignee changed from *Miroslav Fidler* to *Zbigniew Rebacz*

Well, we support Transparent MenuBars for a reason... So instead of removing Transparent, I have tried better approach directly in Paint routine...

#5 - 02/28/2015 07:40 PM - Zbigniew Rebacz

- File StandardTheme.png added
- Status changed from Ready for QA to In Progress
- Assignee changed from Zbigniew Rebacz to Miroslav Fidler

Current solution broken "Standard" ide theme.

#6 - 02/28/2015 07:42 PM - Zbigniew Rebacz

Screen shot attached.

#7 - 02/28/2015 08:11 PM - Miroslav Fidler

- Status changed from In Progress to Ready for QA
- Assignee changed from Miroslav Fidler to Zbigniew Rebacz

Thanks. Hopefully fixed.

#8 - 02/28/2015 11:42 PM - Zbigniew Rebacz

- Status changed from Ready for QA to Approved
